

Executive Board Meeting 9/30/20

Meeting started at 5:30pm with Windy Taylor, Rosie Vowell, John Selover, Lori Chorey and Josh Baker present.

We are still under 60 HS rowers, so the budget may need to be adjusted for events and spending.

Lori has 3 silver memberships and is continuing outreach. She will also post on Tally Mom's site. Josh will reach out individually to AD's at other school's, including Holy Comforter and maybe try to get crew clubs going, but that might be iffy with teacher hours, stipends, etc., so looking into that and talking to principals.

We did receive a \$600 insurance refund when we switched insurance companies.

The City of Tallahassee is allowing us to use the fields at Meridian Park, but we have to be done by 5pm.

10/31 will be the Hocus Pocus Scrimmage (or other name). The coaches will manage everything on the water and rowers are taking the lead with Halloween costumes. Windy and Josh will check with Stephanie at Maclay to see if we will have a cap on people attending and then determine if we will have Food Trucks at Maclay or hot dogs at Windy's.

Josh said they were good with cleaning supplies right now, but will soon need paper towels.

Individual Rower Picture Days-Oct 13th and 14th. Whichever day is the girls'/boys' land practice will be their picture day.

Concluded meeting at 7:06pm.
